

AHCMOM216 Operate side by side utility vehicles

NATIONALLY RECOGNISED
TRAINING

Delivered by **Expert Training Group** in partnership with **Advanced Driver Training Centre**, This unit describes a participant's skills and knowledge required to safely operate a side by side utility vehicle including undertaking pre-start checks and shut down procedures.

The unit applies to individuals who operate side by side utility vehicles to undertake routine work under general supervision with limited autonomy and accountability.

Vehicle must be operated according to relevant state/territory licensing authority vehicle licence requirements and regulations.

No other licensing, legislative or certification requirements apply to this unit at the time of publication.

Nationally accredited unit:

AHCMOM216 Operate side by side utility vehicles

Please contact **ADTC** on **1300 866 156** or email at admin@advanceddrivertraining.com.au for a quotation to provide training for your employees in your company.
